

The diagram shows a mechanical assembly with a large red circle. The circle is supported by a horizontal base. The distance from the center of the circle to the base is labeled A . The distance from the center of the circle to the left vertical support is labeled B . The distance from the center of the circle to the right vertical support is labeled C . The circle is tangent to the base at two points, marked with 'x'. The left vertical support is a rectangular block with a yellow component on top. The right vertical support is a rectangular block with a yellow component on top. The base is a horizontal line with a small vertical line at the center, labeled A .
